The following strategies should accurately reflect the needs of the investigation.

- [Automatic Number Plate Recognition \(ANPR\)](#)
- [Communications strategy](#)
- [Financial investigation](#)
- [House-to-house enquiries](#)
- [Intelligence strategy](#)
- [Passive data generators](#)
- [Physical evidence](#)
- [Scene strategy](#)
- [Search powers, and obtaining and executing search warrants](#)

Although their principal aim is to locate and gather material, there are two other important aims. These are to:

- provide the victim's family with a level of service that assists them to come to terms with the tragedy
- satisfy legitimate requirements for information about an investigation from partner agencies and the community
