

Managing sexual offenders and violent offenders - Guidance overview

This page is from APP, the official source of professional practice for policing.

First published 18 July 2017

Modules of this APP are currently under review. Implications for the UK leaving the European Union are also being examined. See [APP on International investigation](#) for latest available detail on specific areas, for example:

- Schengen Information System
- Europol
- International Criminal Police Organization (INTERPOL)
- Joint Investigation Teams
