Intelligence profiles

Supporting police officers and staff to understand the requirements of intelligence roles in policing.

First published 21 May 2025

We're moving the policing professional profiles (PPP) to the College website. While this takes place, some roles from the PPP are only available on College Learn.

College Learn can only be accessed by those who work in policing as it requires you to log in. If you don't work in policing and want to view a role, please email: **professionaldevelopment@college.police.uk**.

If you have any other queries or would like to give any feedback about the PPP, please email: **professionaldevelopment@college.police.uk**.

Purpose

The intelligence profiles include information about the responsibilities, behaviours, qualifications, skills and experience for roles in:

- covert operations
- intelligence
- serious and organised crime (covert)
- surveillance
